THE NEW ACADEMIC YEAR

It's time to sharpen your pencils,
Refill your pens,
And make new pals,
The new school year is here!

Being stumped by new textbooks,
Covering notebooks,
And unknown formulae will give you the spooks!

But there is no need to worry,
Teachers, friends and parents will help you study,
Be optimistic everyday,
And keep stress at bay.

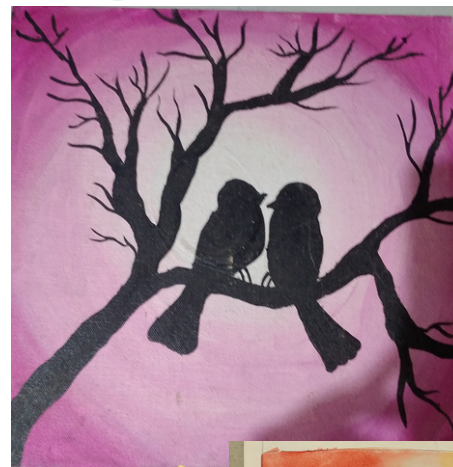

It's time to make new dreams and resolutions,
And work towards them each day.
Relish and participate in each event,
And boost your skillset.

Look back at your renewed wisdom and yearbooks,
Before entering adulthood.
School days are the best,
Another year has arrived to enjoy the fest.

- Hiya Shah 10C

WELCOME 2024-25..

ARTWORK

PLAYSCHOOL BEACH PICNIC

Our playful little ones from playschool had an exciting adventure at Silver Beach in Juhu. They had a blast splashing in the water, playing in the sand, and building sandcastles. The sight of the little ones on the beach promenade was simply delightful.

COMMUNITY HELPERS BY JR.KG

In recognition of the invaluable roles played by community helpers in our lives, the children of Junior KG participated in a special activity centered around these everyday heroes. Dressed as various community helpers such as traffic police officers, lawyers, vegetable vendors, plumbers, and teachers, our young learners embodied these roles with grace and confidence. This engaging activity not only allowed them to appreciate the significance of each community helper but also provided them with a glimpse into different career options they may consider in the future. It was heartening to witness our children showcase their understanding and respect for the diverse professions that contribute to making our lives easier and safer.

YOUNG SCIENTISTS EXPLORATION!!- JR.KG

Science surrounds us in our daily lives, and its wonders often seem like magic. However, behind every scientific phenomenon lies logic and the fundamental nature of the world around us. Our Junior KG students embarked on an exciting journey as young scientists, conducting simple experiments using basic ingredients from the kitchen and other common items. This hands-on process was not only adventurous and fun but also a fantastic way for our children to learn by actively engaging in experiments and discovery.

PYJAMA PARTY EXTRAVAGANZA!!- SR.KG

The Pyjama Party is an eagerly anticipated event at PVNS, brimming with excitement and joy. Our Senior KG children enter the school premises at 4:30 pm and immerse themselves in a world of fun until 9:00 pm. The evening is packed with a variety of activities including tattoo making, Zumba sessions, outdoor and indoor games, pillow fights, delicious food, a cozy campfire, and an ice cream treat.

What makes this event truly special is the bond of friendship and the beautiful memories that the children create, which they carry with them as they transition to Grade 1. It's a night filled with laughter, camaraderie, and unforgettable moments that will be cherished for a lifetime.

SR. KG GRADUATION DAY!!!

As our Senior KG children prepare to embark on the next chapter of their academic journey, we celebrated their graduation day with immense pride and joy. Dressed in graduation robes and caps, they symbolized their love and appreciation for their friends, teachers, and didis who have been an integral part of their beautiful journey at PVNS.

CONGRATULATIONS TO THOSE POWERFUL LITTLE MINDS!!

THE PROUD PARENTS!

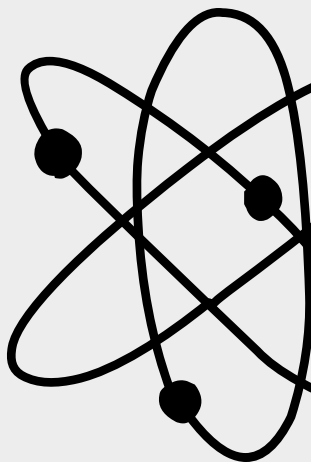

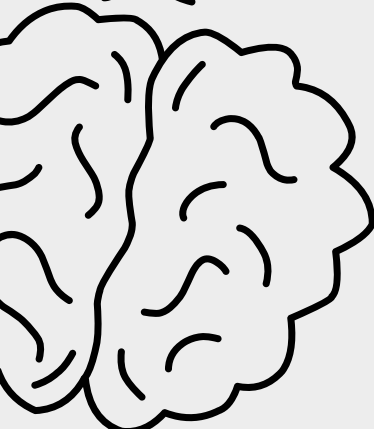

ALL STUDENTS HAVE BLOSSOMED LIKE BEAUTIFUL FLOWERS

The graduation ceremony was a heartfelt moment, marking the end of their preschool days and the beginning of new adventures in the primary section of our school's main building.

THE WONDERFUL SMILES!

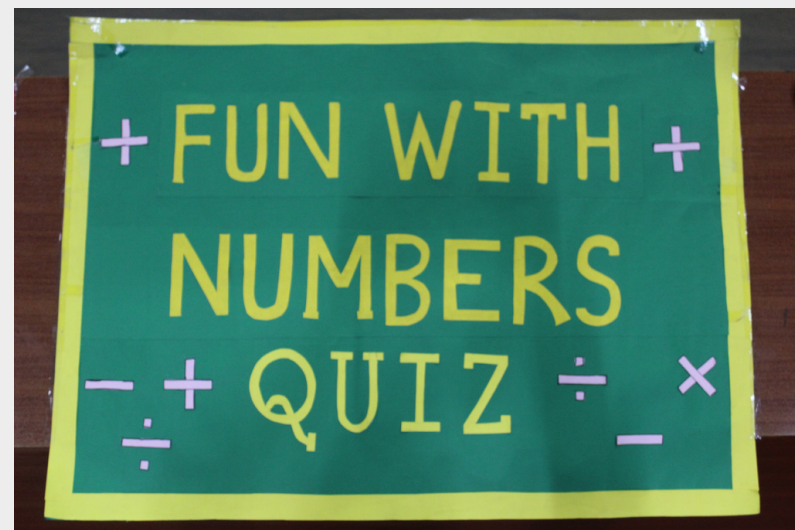

This significant event holds sentimental value for both teachers, who will dearly miss their students, and students, as they bid farewell to their cherished preschool life filled with memories that will always hold a special place in their hearts.

Fun with Numbers

"Fun with Numbers" was a math quiz organized for students in standard 1 and 2. Each house was represented by three children from standard 1 and three children from standard 2, totaling six children per house. The students participated with enthusiasm and competitiveness, navigating through each round effortlessly. As the quiz progressed, the scores remained close, with Sera House taking the lead by just one point. Ultimately, Sera House was declared the winner, concluding the quiz on a high note. The quiz not only enhanced the children's understanding of mathematical concepts but also significantly developed their problem-solving skills.

INTEGRATION AND GRADUATION DAY : STD 5

The students of Std. 5 in the Primary Section achieved a remarkable milestone through their integrated learning journey. They beautifully integrated various subjects such as drama, dance, and music to portray the evolution of humanity across ages, showcasing how learning is intertwined with our school journey. Their performance brought to life the essence of all subjects they have learned. The culmination of their presentation was marked by a graduation dance and song, symbolizing their readiness to continue their learning journey in the next phase of their academic life.

विश्व महिला दिवस

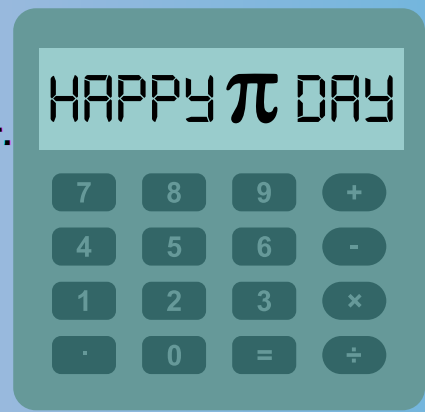

हर साल पूरे विश्व में 8 मार्च का दिन महिला दिवस के रूप में मनाया जाता है। यह दिन महिलाओं को समर्पित है। आज आर्थिक, सामाजिक, सांस्कृतिक, खेल हर क्षेत्र महिलाओं की उपलब्धियों से भरा हुआ है यहाँ तक की जल, थल और वायु सेना में भी महिलाओं की तैनाती हो रही है। यह दिन इन्हीं उपलब्धियों को सलाम करने का दिन है। इसके अलावा इस दिन का मकसद महिलाओं के अधिकारों को लेकर जागरूकता फैलाना भी है।

हमारे शास्त्रों में कहा गया है : यत्र नार्यस्तु पूज्यंते रमयंते तत्र देवता। यानी जहाँ नारी का सम्मान होता है वहाँ सभी देवता विराजते हैं। आज महिलाएँ आत्मनिर्भर बन रही हैं हर क्षेत्र में मिसाल कायम कर रही हैं। नारी सशक्तिकरण से ही सामाज की उन्नति संभव है।

PI DAY!!

Pi Day is an annual celebration of the mathematical constant pi, which represents the ratio of a circle's circumference to its diameter. Observed on March 14th (3/14), Pi Day aligns with the first three significant figures of pi: 3, 1, and 4. Despite being an irrational number with a non-repeating and non-terminating decimal, pi holds immense significance in various fields like mathematics, astronomy, and architecture.

Denoted by the Greek letter " π ," pi is commonly expressed as the fraction $22/7$. While pi is often associated with the delicious dessert, its mathematical importance transcends into practical applications across disciplines. Pi Day serves as a reminder of the fascinating and enduring nature of mathematical constants like pi.

WORLD DAY OF SOCIAL JUSTICE

World Day of Social Justice, observed annually on February 20th, emphasizes the importance of promoting social justice by addressing issues such as unemployment, poverty, gender inequality, human rights, and social protection.

This day serves as a platform for governments, civil society organizations, and individuals to come together, raise awareness, and take action towards creating a more just and equitable world.

The theme for World Day of Social Justice 2024 is 'Bridging Gaps, Building Alliances'. This theme underscores the need to bridge divides and strengthen partnerships to advance social justice globally.

The origins of World Day of Social Justice trace back to the World Summit for Social Development held in Copenhagen, Denmark, in 1995. During this summit, political leaders from over 100 countries pledged to combat poverty, achieve full employment, and promote stable, safe societies. The summit highlighted the importance of prioritizing people-centered development plans.

By commemorating World Day of Social Justice, we honor the ongoing efforts to create a fairer and more inclusive world for all.

SCHOLARS' TROPHY – PRIMARY

The Scholars Trophy ceremony is highly anticipated by both students and teachers alike. Students who received the trophy showcased remarkable achievements not only in academics but also in various aspects of school life. The Primary department organized the Scholars Trophy presentation for Std 1 to 5 on Thursday, 7th March 2024. Principal Ma'am and our Coordinators presented trophies and certificates to the deserving students. It was a moment of joy for these diligent students who had worked hard to reach their goals. Certificates were also given to students with 100% attendance throughout the academic year. The ceremony concluded with inspiring words from Principal Ma'am. She praised the students for their outstanding efforts and encouraged them to continue progressing with determination to achieve greater success.

Achievers of the Scholars Trophy.

- Std 1 – Miss Myrah Khan
- Std 2 – Miss Ananya Chavan
- Std 3 – Miss Anjuna Roa
- Std 4 – Master Shlok Patel
- Std 5 – Master Sidhant Minda

Achievers of 100% attendance.

- Std 1 – Punnet Lugani
- Std 3 – Tushna Panthanki
- Std 4 – Neha Murarka,
Yahya Shaikh
and Vivaan Gharat
- Std 5 – Eshpreet Lugani,
Meha Ghadigaonkar,
Tanush Gupta,
Aahana Salian
and Roshan Murarka.

SCHOLARS' TROPHY - SECONDARY

On 15th March, 2024

The prize distribution ceremony was held on the 15th of March 2024. The event acknowledged and appreciated the excellent talent and dedication displayed by students throughout the academic year. Principal Ma'am, Maulina Ma'am, and Ms. Tashiya felicitated the students with trophies and certificates during the ceremony.

Winners of the Scholar's Trophy
Grade 6-Mst.Vihaan Doshi
Grade 7-Miss.Eshal Singhania
Grade 8-Miss.Bhargavi Raykar
Grade 9-Miss.Rashi Chheda

GLOBAL SCHOLARS

The members of the Global Scholars programme got a wonderful opportunity to share their knowledge with everyone on 18th March, 2024.

The AV room bustled with activity as the students of classes 6, 7, 8 and 9 assembled in batches to take a look at the Unit 3 project which was created by the Global Scholars. They showcased the physical model of a greenspace and explained about the same with the help of a presentation. The digital project created using Blender was also shared with everyone which envisioned a greener Vissanji Academy. The students had a good learning experience as the proud Global Scholars shared their work.

SPORTS FIESTA

Vissanji Academy dedicates a day annually to its Sports Fiesta, bringing together students from across all standards. This year's event, spanning from the 12th to the 14th of March, showcased a vibrant array of activities.

Kicking off on the 12th, the Primary Sports Fiesta commenced with invigorating Zumba sessions to enliven the students' spirits. Following this was the eagerly anticipated Inter-House Race, where the houses of Jokang, Sera, Ganden, and Drepung engaged in spirited competition. The festivities culminated in the timeless tradition of cricket, adding a dash of excitement to the proceedings.

The Secondary Sports Fiesta, held subsequently, featured both Zumba and cricket. Divided into three divisions, each class formed teams and vied for victory in their designated sections of the court. This marked the inaugural inclusion of cricket in our school's sporting repertoire, adding a new dimension to the event.

The Sports Fiesta, spanning an hour, holds significant importance as it rejuvenates students' bodies following the culmination of their examinations. It underscores the school's commitment to nurturing both physical and mental well-being, fostering a holistic approach to education.

SPORTS FIESTA - SECONDARY

SPORTS FIESTA - PRIMARY

योग्य जोड्या जुळवा

असे काय आहे ज्याचे नाव घेतल्या-घेतल्या ते अदृश्य होते?

एक मेणबत्ती / पेन्सिल

तुम्ही मला पाण्यात पाहू शकता, परंतु मी कधीही ओली
होत नाही. ओळखा पाहू मी कोण आहे?

प्लेट्स / कटलरी

मी तरुण असतो तेव्हा मी उंच असतो, मी जेव्हा म्हातारा
होतो तेव्हा मी ठेंगणा होतो. ओळखा पाहू मी कोण आहे?

पत्यांचा डेक

लोक मला खाण्यासाठी विकत घेतात, परंतु कधीही मला
खात नाही. ओळखा पाहू मी कोण आहे?

आपला श्वास

माझ्याकडे हृदय आहे, परंतु इतर अवयव नाहीत.
ओळख पाहू मी कोण?

शांतता

आपण जितक्या वेगाने धावता तेवढे ते पकडणे कठीण होत जाते?

एक प्रतिबिंब

Dear Students,

We are excited to invite you to contribute to our school newsletter's **APRIL** edition! You have the opportunity to showcase your talent by submitting self-composed articles, poems, jokes, and sketches. The finest submissions will be featured in the magazine. Send your work to our official email address at waves@vissanjiacademy.com.
